Dear Mr. Wiegand,

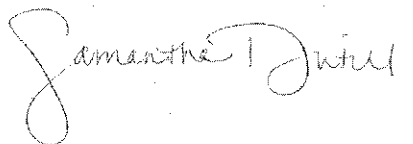

It is my pleasure to announce that CAFAmerica's Eligibility Committee has determined Frankfurter Stiftung Für Krebskranke Kinder as eligible to receive grants from CAFAmerica as of 1/17/06. Enclosed please find a copy of the CAFAmerica Grant Eligibility Application, dually signed by your organization and the CAFAmerica President. You may keep this copy for your files. Your organization will remain eligible to receive grants from CAFAmerica for a period of two years.

I have enclosed a CAFAmerica Gift Form, which you may distribute to prospective U.S. donors. Donors are able to make tax-effective gifts to CAFAmerica and suggest Frankfurter Stiftung Für Krebskranke Kinder as the grant recipient. All grant suggestions must be approved by the CAFAmerica Board of Directors. If approved, your organization will be awarded the grant.

You may also wish to visit our website, www.cafamerica.org, where you'll find information for donors and approved grantee organizations.

Please do not hesitate to contact us should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Samantha Dutill".
